Acknowledgement of Country

I'd like to acknowledge the Traditional Owners of the Country that we stand on today. The Djaara People who belong to the

Dja Dja Wurrung language group.

I acknowledge the Elders past and present, any Indigenous people who may be here today and the emerging youth.

We acknowledge their age old ceremonies and their continuing culture and presence on this Country today.

Womin-jeka! Womin-jeka! Welcome, welcome.

Welcome <http://www.djadjawurrung.com.au/>

And who can say the welcome word???

Sounded out it is like 'Wom- in – yeek-ah' 😊
